## *Community Impact Partnership Spotlight*

Probate and Juvenile Court Administrator

Bay County Courthouse, Bay City, Michigan

Iron Gorilla Gym, partnered with the Nonprofit Flex989, would like

To introduce our community partner and provide our members

With some exciting information regarding this program.

1. Your name, job title, how long you've been in that career?

Britney Mlostek, Deputy Court Administrator for Probate & Juvenile Court - 8 years

2. Brief description of your job and role in your department and how your work impacts kids, their families and maybe the community.

As the Deputy Court Administrator my job is to support our professional staff by helping implement new programming within the court and community that is for the betterment of our juveniles and will create long lasting impact on their lives.

3. How were we connected and how you foresee Lift989 assisting your team and the impact?

Many of our juveniles lack a physical outlet within the community. Oftentimes this will then present in a delinquent manner when it could present as a positive in their life would they have had an outlet. LIFT989 will help juveniles in our community build a better sense of self and self-worth through physical activity and education.

Coming January 2025, please be on the lookout for our new members who will be working with community change agents: Al Petersen, Melissa Sawicki, Youssef Jalal and Melissa Freeman. We will have many guest speakers to provide our LIFT989 juveniles valuable life skills and information that will create long lasting impact for a lifetime. We appreciate your warm welcomes and smiling faces greeting our new guests and look forward to accepting any member who would like to lend a hand!
